We also offer a full line of framing, housing and display solutions in wood, aluminum and acrylic with options for ultraviolet filtration and environmental conditioning.
Since 1972, SmallCorp has been a leader in the design and manufacture of archival products and museum quality picture frames.

We are a vertically integrated manufacturer working in acrylic, glass, metal, and wood to create archival and durable exhibit solutions. Our capacity ranges from our line of standard frames and cases to customer-designed projects, whether it is one piece or hundreds. Our goal is to work with the conservation, exhibition and artistic communities to make the highest quality products at a reasonable price. We believe collaboration creates value both for our clients and for their audiences.

We are proud to say our products are hand-made in Massachusetts with solar power.
